Nice work

Congratulations @yadavnani, you've completed this course!

What went well

Now, you have your slide deck deployed [here](#) and you've gone through the GitHub Flow.

Before I say good-bye, here's a recap of all the tasks you've accomplished in your repository:

- You learned about issues, pull requests, and the structure of a GitHub repository
- You learned about branching
- You created a commit
- You viewed and responded to pull request reviews
- You edited an existing file
- You enabled GitHub Pages
- You made your first contribution! 🎉
